Central Jersey College Prep
Charter School

July 6-July 22, 2010

Summer Enrichment Camp @ CJCP

Central Jersey College Prep Charter School is pleased to announce that we will be hosting Summer Enrichment Camp with the collaboration of Ivy Learning. Our summer camp classes are a great way to keep your children active and safe over their summer break. This camp is designed to increase student interest and competence in hands-on science activities in a relaxed, safe and fun atmosphere. Campers enjoy field trips every week to various educational, cultural, and recreational venues. A camp director supervises and accompanies all field trips.

The summer camp program is taught by highly qualified teachers and coaches at Central Jersey College Prep Charter School, therefore, you can be assured that your child will be in a structured, safe and fun environment. So, come join us and be a part of **Central Jersey College Prep Charter School Summer Enrichment Camp and Summer Fun.**

The program is a four week session. It begins 6th of July. The session will be held Monday through Thursday, from 9:00am to 2:00pm. The program consists of a wide array of creative activities for all students.

Children will:

- participate in group activities
- hands-on learning experiences
- grow confidence in their academic ability
- work as a team & make new friends
- compete and win awards
- have loads of laughs and
- lots of fun!

PROGRAMS

Vocabulary Building

What's the Word?

If you would like to improve your vocabulary for the SAT, writing assignments, classroom discussions, or simply to impress your family and friends, sign up for this activity. No memorization! Activities, games, and films/TV will assist in your learning.

Math

Fun with Math Games

Tired of boring worksheets but love math? If so, then this is the class for you! Campers will play all different types of hands-on math games. Games will explore place-value, addition, subtraction, multiplication, fractions, and much more.

Science

Fun with Chemistry

Fun with Chemistry offers a unique opportunity to experience the wonders of chemistry through engaging activities. Explore topics such as the flammability of elements, how bubbles are made, and the creation of slime!

Basketball Camp

Become an A in Basketball

Are you interested in improving your game? If so, attend this basketball camp. Our basketball camp will instruct you on the fundamentals of the game as well as helping you develop your skills. All levels of ability will have fun in this camp.

Field Trip

First Hand Experiences

We offer a comprehensive field trip program for students. Field trips are unique, interactive, and designed for the appropriate grade levels. Trips to science and historical museums, gardens, a college tour, etc., are on the activities list.

Robotics

Experience Summer Tech Fun

These Robotics classes are designed to introduce middle and high school students into the world of robotics. Students will have the opportunity to build and program a robot to autonomously compete in a series of challenges based on real world issues.

Reading & Writing

Efficient Comprehension and Expression

Read fast, comprehend more, and move on. Learn a powerful reading method that simultaneously increases reading speed and comprehension.

Plan, write, and polish. You learn to overcome writer's block with fast-writing and clustering, get creative and handle any writing assignment with less stress and better results.

CJCP Summer Enrichment Camp 2010
